## Information and definitions

### CERTIFYING DOCUMENTS

#### DO NOT send original documents unless specified.

Copies of documents provided in support of an application, or other purpose required by the National Law, must be certified as true copies of the original documents. Each and every certified document **must**:

- be in English. If original documents are not in English, you must provide a certified copy of the original document and translation in accordance with Ahpra guidelines, which are available at [www.ahpra.gov.au/registration/registration-process](http://www.ahpra.gov.au/registration/registration-process)
- be initialled on every page by the authorised officer. For a list of people authorised to certify documents, visit [www.ahpra.gov.au/certify](http://www.ahpra.gov.au/certify)
- be annotated on the last page as appropriate e.g. 'I have sighted the original document and certify this to be a true copy of the original' and signed by the authorised officer, and
- list the name, date of certification, and contact phone number, and position number (if relevant) and have the stamp or seal of the authorised officer (if relevant) applied.

Certified copies will only be accepted in hard copy by mail or in person (not by fax, email, etc). Photocopies of previously certified documents will not be accepted. For more information, Ahpra's guidelines for certifying documents can be found online at [www.ahpra.gov.au/certify](http://www.ahpra.gov.au/certify)

### CHANGE OF NAME

You must provide evidence of a change of name if you have ever been formally known by another name(s) or any of the documentation you are providing in support of your application is in another name(s).

Evidence must be a certified copy of one of the following documents:

- Standard marriage certificate (ceremonial certificates will not be accepted)
- Deed poll
- Change of name certificate.

Faxed, scanned or emailed copies of certified documents will not be accepted.

### CONTINUING PROFESSIONAL DEVELOPMENT

A registered pharmacist must undertake the continuing professional development (CPD) required by the Board's *Registration standard: Continuing professional development*. Failure to do so may constitute behaviour for which health, conduct or performance action may be taken.

Registered pharmacists are required to complete 40 CPD credits for the 12 month period ending 30 September.

For more information, view the full registration standard online at [www.pharmacyboard.gov.au/Registration-Standards](http://www.pharmacyboard.gov.au/Registration-Standards)

### CRIMINAL HISTORY

**Criminal history** includes the following, whether in Australia or overseas, at any time:

- every conviction of a person for an offence
- every plea of guilty or finding of guilt by a court of the person for an offence, whether or not a conviction is recorded for the offence, and
- every charge made against the person for an offence.

Under the National Law, spent convictions legislation does not apply to criminal history disclosure requirements. Therefore, you must disclose your complete criminal history as detailed above, irrespective of the time that has lapsed since the charge was laid or the finding of guilt was made. The Board will decide whether your criminal history is relevant to the practice of your profession. You are not required to obtain or provide your Australian criminal history report, Ahpra will obtain this check on your behalf. But if you have not given us certified proof of identity documents since October 2019, you will need to do this first.

Any document containing a photograph must be annotated with the statement 'I certify that this is a true copy of the original and the photograph is a true likeness of the person presenting the document as sighted by me.'

You may be required to obtain international criminal history reports.

For more information, view the full registration standard online at

[www.pharmacyboard.gov.au/Registration-Standards](http://www.pharmacyboard.gov.au/Registration-Standards)

and the requirements for supplying proof of identity and certified documents at [www.ahpra.gov.au/Registration/Registration-Process/Proof-of-Identity](http://www.ahpra.gov.au/Registration/Registration-Process/Proof-of-Identity) and [www.ahpra.gov.au/Registration/Registration-Process/Certifying-Documents](http://www.ahpra.gov.au/Registration/Registration-Process/Certifying-Documents)

- be in chronological order
- be signed and dated with a statement 'This curriculum vitae is true and correct as at (insert date)', and

[www.pharmacyboard.gov.au/Registration-Standards](http://www.pharmacyboard.gov.au/Registration-Standards)

### IMPAIRMENT

The National Law defines impairment as 'a physical or mental impairment, disability, condition or disorder (including substance abuse or dependence) that detrimentally affects or is likely to detrimentally affect your capacity to practise the profession'.

An illness or health condition that is safely managed is not the same as impairment, as these do not have a detrimental impact on your capacity to practise. Examples you do not need to tell us about include:

- wearing prescription glasses to correct your vision or hearing aids to correct your hearing, or
- seeing a psychologist for anxiety and following a treatment plan.

The National Law requires you to declare any such impairments at the time of renewal, including details of the impairment and how it is managed.

### PRACTICE

Practice means any role, whether remunerated or not, in which the individual uses their skills and knowledge as a pharmacist in their profession. For the purposes of this registration standard, practice is not restricted to the provision of direct clinical care. It also includes working in a direct non-clinical relationship with clients; working in management, administration, education, research, advisory, regulatory or policy development roles; and any other roles that impact on safe, effective delivery of services in the profession.
