#### Your responses to consultation questions on the draft *Professional practice profile for pharmacists undertaking complex compounding*

1. Does the draft practice profile clearly explain its purpose, and how it should be used in relation to complex compounding?
Yes, the profile is clear.
2. Is there any content that needs to be changed, added or deleted in the draft practice profile in relation to complex compounding?
Definitions should either be made on Pages 10 and 11 or the definitions section referred to

<sup>1</sup> You are welcome to supply a PDF file of your feedback in addition to the word (or equivalent) file, however we request that you do supply a text or word file. As part of an effort to meet international website accessibility guidelines, AHPRA and National Boards are striving to publish documents in accessible formats (such as word), in addition to PDFs. More information about this is available at [www.ahpra.gov.au/About-AHPRA/Accessibility.aspx](http://www.ahpra.gov.au/About-AHPRA/Accessibility.aspx).

3. Do you have any suggestions for questions to be answered in Frequently Asked Questions developed by the Board, to assist pharmacists in using the practice profile for complex compounding?

No

4. Do you have any other comments on the draft practice profile?

The use of a flow chart/ decision tree to aid in the decision of whether it is (a ) simple or (b) complex and then whether to compound or not may be a useful addition
