

## NRAS Strategic Outcomes

Reduced risk of harm to the public associated with the practice of regulated health professions.

Assurance that registered health practitioners are suitably trained and qualified to practise in a competent and ethical manner.

Increased public confidence in the effective and efficient regulation of health practitioners.

Increased public benefit from the use of our data for practitioner regulation, health workforce planning and research.

Improved access to healthcare through our contribution to a more sustainable health workforce

## Pharmacy Board of Australia Strategic Plan and Work Plan 2017-18

### Our Vision

Safe and quality healthcare delivered by competent pharmacists

### Our Mission

To regulate pharmacists in the public interest

### Our Values

We act in the interest of public health and safety

We work collaboratively to deliver high quality health regulation

We promote safety and quality in health practice

Our decisions are fair and just

We are accountable for our decisions and actions

Our processes are transparent and consistent

We seek to continuously improve the quality of our policies and work practices

### Key strategic priorities

1. Ensure the registration of pharmacists who are suitably trained and qualified, to practise in a competent and ethical manner
2. Respond effectively to notifications about the health, conduct and performance of pharmacists
3. Engender the confidence and respect of the public, pharmacists and key stakeholders in the National Registration and Accreditation Scheme and be the recognised leader in the regulation of pharmacists
4. Contribute to a sustainable pharmacy workforce strategy that meets the future needs of the Australian community
5. Practise effective and contemporary governance in line with our regulatory obligations
