Introduction

The role of the Pharmacy Board of Australia (the Board) includes:

- registering pharmacists and students
- developing standards, codes and guidelines for the pharmacy profession
- handling notifications, complaints, investigations and disciplinary hearings
- overseeing the assessment of overseas trained pharmacists who wish to practise in Australia, and
- approving accreditation standards and accredited courses of study.

The Board's functions are supported by the [Australian Health Practitioner Regulation Agency](#) (AHPRA). For information about legislation governing our operations see [About AHPRA](#) at www.ahpra.gov.au/About-AHPRA/What-We-Do/Legislation.aspx.

The Board has analysed its registration data and produced a number of statistical breakdowns about registrants to share with the profession and community. The Board shares these breakdowns regularly.

For more information on pharmacy registration, please see the Board's website: www.pharmacyboard.gov.au/Registration.aspx
